

Summer Club Tennis Rules

- These courts are for the exclusive use of Summer Club residents and their guests. All other persons are prohibited. Play is at your own risk.

1- Play is governed by the sign-up board on a first come/first served basis, and is limited to the hours listed on the board. Time may be reserved only on the calendar day of play. If you reserve time, and then decide not to play, please erase your name from the board at once to free that hour for another member.

2- Play is limited to one hour, unless TWO or more members are on court in a doubles game. "Two members" is explicitly intended to mean two members from two different households playing in the same game. In that case, providing the time is available, two hours may be reserved, with one member signing individually on consecutive time slots.

3- Should play proceed beyond the allowed time, the court must be yielded to another member immediately upon request.

4- Persons renting homes in the Summer Club retain the same rights as regular members throughout their rental term.

5- It is permitted that a member play with one or more guests. The member must accompany guests to and from the courts, should apprise them of these rules and is responsible for their actions.

6- Members who have already played on any calendar day must yield a court to a member who has not yet played on that day.

7- It is everyone's responsibility to lock the gate upon leaving.

8- Please place all trash in the receptacle.

9- Please be courteous at all times. Refrain from excessive conversation. Wait until play has stopped before crossing a court.
